Western Oklahoma Christian School Now Enrolling for 2026–2027

Families across Western Oklahoma seeking a faith-based, personal approach to education are finding a strong fit at Western Oklahoma Christian School (WOCS). Known for small class sizes and hands-on learning rather than all-day laptop use, WOCS is now enrolling students for the 2026–27 school year. The school serves students at campuses in Clinton, Weatherford, Elk City, and Hinton.

The Clinton campus, the school's oldest, serves the most grade levels. Weatherford has expanded since moving from a church facility into its own building. Elk City added a three-year-old program in 2023 and has completed facility upgrades. Hinton opened this year. Class offerings vary by campus based on space and community demand, with additional grades added as interest grows.

Classes Offered by Campus

Clinton: 3-year-old program through 6th grade
Kingdom Kids Daycare (birth–3 years)
Elk City: 3-year-old program through 6th grade
Hinton: Pre-K through 2nd grade
5th–6th grades
Weatherford: Pre-K through 6th grade

WOCS stands out with its array of exceptional features designed to foster academic excellence and personal growth:

God-Centered Curriculum: God is the cornerstone of our curriculum, providing a solid foundation of faith with an inter-denominational focus.

Small Class Sizes: Personalized attention and a supportive learning environment. Pre-k and kindergarten have a limit of 12 students and first-sixth grades have a limit of 18 students.

Challenging Curriculum: Rigorous academics to prepare students for future success. Classes in music, art, computer, and P.E. (including basketball) offer additional experiences. The curriculum includes Abeka, BJU Press, and Deep Roots (Bible).

Hands-On Learning: We take the more traditional approach to teaching using books, paper, and pencils.

Convenient Locations: Campuses in Clinton, Weatherford, Elk City, and Hinton.

In addition to its strong academic programs, WOCS offers numerous services to support both students and parents:

Scholarships and Tax Credit: Applications are available once a student has enrolled. More information is contained in this story.

Financial Flexibility: Tuition payment plans to ease financial planning.

Extended Care: Before and after school care programs for added convenience.

Community Engagement: Opportunities for students and families to participate in community service projects.

Transportation: Bus routes are available to the various campuses.

Families considering WOCS are encouraged to plan ahead for the Oklahoma Parental Choice Tax Credit, which can provide awards of up to $7,500 per child. Students must be enrolled at WOCS before families can apply for the tax credit.

Because processing takes time, families should allow for the WOCS application review, a family interview, and completion of enrollment before submitting a tax credit application.

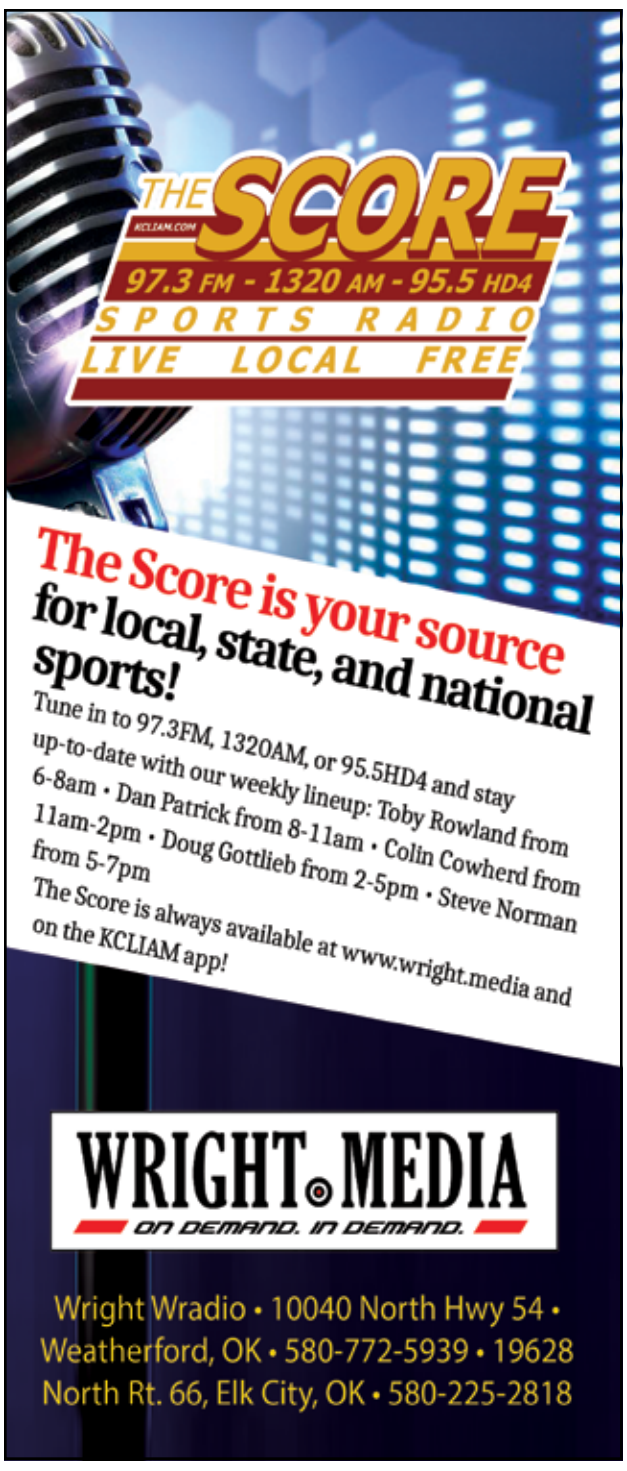
Tax credit applications are only open March 16 through June 15, a change from previous years.

The application for admission is on the WOCS website at www.wocs.org. To ensure the best fit for each family, the enrollment process includes a family interview. The last step in the enrollment process is enrolling online.

For more details on enrollment or to start the application process, please visit the WOCS website at www.wocs.org or contact the administrative office in Clinton at 580.323.9150.

About WOCS

Founded in 1987 with its original campus in Clinton, WOCS expanded to Weatherford in 2006, Elk City in 2011, and Hinton in 2025. Over the years, WOCS has remained committed to its mission of providing a high-quality, Bible-based education. The school is accredited by the Association for Christian Schools International and the Oklahoma State Department of Education through the Oklahoma Private School Accreditation Committee.



Terry Unruh

Terry Dawn Unruh was born on August 30, 1957, in Tulsa, to Harold Gene and Bobbie Lee (Johnson) Blough and passed away Sunday, February 1, 2026, at Integris Health Heart Hospital.

Terry was raised by custom harvesters and moved around, even attending first grade in Canada. She grew up in Weatherford, graduating in 1975. Terry was known to skip school to watch her soap operas. She was often found dragging main in her yellow Volkswagen Beetle. In February 1982, she met Aaron Israel Unruh and they married May 14, 1982, and made their home in Weatherford. Terry volunteered at their daughters' schools and always had their friends around the house. She had worked many jobs, but the most important job was being a mom and grandma, affectionately known as "G". She greatly enjoyed fishing and gardening and once won an award for her beautiful yard. She loved her brothers and family deeply as they meant everything to her. You could even say she loved them as Jesus loves. She was an incredible "G", who was always present in her grandchildren's lives. She had a servant's heart and was a devoted caregiver, peacemaker, and a faithful prayer warrior.

Terry is survived by her husband of 43 years, Aaron; daughters, Sarah Creason and husband, David and their children, Corbin and Landon; Katy Lubbers and husband, Cody and their children, Titus and River; step-daughters, Micki Nosal and husband, Bernie and their children, Garrett and Mayla; and Tara Robertson and husband, Michael and their children, Grace, Madison and Ryan; two brothers, Louie Blough and wife, Jean and Michael Blough and wife, Robin; and numerous nieces and nephews. She was preceded in death by her parents, Harold and Bobbie Blough.

Gene Black

Gene Carolyn Black was born January 31, 1933, in Hydro, to Arthur Perry and Ocie Kathleen (Packard) Kidd and passed away Tuesday, January 20, 2026, in Hydro.

Gene was raised and attended school in Hydro graduating from Hydro High School. In her high school years, she played basketball and was crowned Miss Hydro in 1951. She received an Associate Degree from the Business College in Oklahoma City and started bookkeeping for Jameson Chevrolet for many years. Gene enjoyed bowling on a league, playing games with the grandchildren and was quite the fisherwoman and Thunder fan. She was caregiver to her grandparents; parents; children; grandchildren and great-grandchildren.

Gene is survived by her son, Danny Black and wife, Marta of Hydro; grandchildren, Jared and April Black, Jacy Black, Jantz Black, Krista and Chris Maggard, and Kerri and Scott Unruh; great-grandchildren, Kierstyn, Aunika, Rachel, Jude, Christopher, Adrian (Maelyn), Jacob, Cooper and Jack; step-sister, Carole Sauer and family; and sister-in-law, Sidonna Black and family; and special cousin, Betty Pieper. She was preceded in death by her parents, Arthur and Ocie Kidd; daughter, Kathy Johnson Dumond; sister, Patsy Lyle Kidd; and step-mother, Ruby Kidd.

Skip Klingman

Morris Charles "Skip" Klingman was born October 30, 1945, in Anadarko, to Charles Eugene and Charlene Dee (Noble) Klingman and passed away Monday, February 2, 2026, at Oxford Springs Assisted Living in Weatherford.

Skip was raised and attended school in Binger, graduating from Binger High School in 1963. While in high school he was involved in music and choir and played the piano and organ at church. He earned a Bachelor Degree in Music Education from Southwestern State College and later earned his Master's from Southwestern. Skip met his future wife, Eleanor Jo Ross, in the Southwestern band room. They married December 22, 1968, in the First Christian Church in Thomas, and made their home in Clinton where he taught vocal music in the high school and junior high school. They moved to Muskogee for 12 years where he was High School Choral Director. They returned to Weatherford in 1982 where he joined the SWOSU vocal music faculty. He retired in 2009.

Skip was a long time member of Weatherford First United Methodist Church. He served in various capacities on the board of the Oklahoma Music Educators Association. Skip served as an adjudicator at voice contests and was tenor soloist with symphonies state wide. For years he was a member of the Miss Southwestern Pageant Board. He loved golf and spending time with his golf buddies.

Skip is survived by his wife of 57 years, Jo Klingman; brother, Scott Klingman and wife, Tammy and their children, Tonya Duraso and Sarah Klingman; god-daughter Kimberly Bell Wall; and many, many Klingman cousins. He was preceded in death by his parents and cousin, Jane Shaffer.

Memorials may be made to the SWOSU Foundation in support of music education or First United Methodist Church of Weatherford.

Carole Kessler

Carole Etta Kessler was born on January 13, 1952, in Anadarko, OK, to Arthur Charles and Florence Minnie (Jaques) Kessler. She passed away Tuesday, January 27, 2026, at her home in Hinton, OK, at the age of 74.

Carole graduated from John Marshall High School in Oklahoma City. Following high school, she remained in Oklahoma City where she worked as a nurse's aide at Deaconess Hospital and later in a nursing home. In the 1980s, she moved to Hinton, Oklahoma, where she drove to Chickasha to work for the telephone company. Over the years, Carole was also employed at the Cherokee Trading Post and Market Square Grocery Store. Carole enjoyed crocheting—creating countless items from yarn—playing games with her son Terry, and watching movies. Her faith was important to her; she attended the First Christian Church in Hinton.

She is survived by two children, Terry of Hinton and Carlene of Norman; one sister, Christene of Hinton; nephews, Floy Kessler and wife Tiffany of Weatherford, and Lance Kessler of Hinton; and great-nieces, Reese, Reagan, and Rylan. She was preceded in death by her parents and one sister, D'Artha Belle Kessler.

Senate Session Review by Senator Darcy Jech

Sen. Darcy Jech
R-Kingfisher, District 26

The second session of the 60th Oklahoma Legislature is now in session. As always, I look forward to representing Senate District 26 at the Capitol. This session began on February 2 with Governor Kevin Stitt's final State of the State address. The governor also presented the Legislature with his executive budget proposal for the upcoming fiscal year.

The state budget outlook presents some challenges. In December, the State Board of Equalization certified revenue projections showing about $694 million less in available spending than the $12.6 billion appropriated this year. The governor uses these figures to build his state budget proposal, and the Board will meet again in February to certify updated numbers. Those updated projections will guide the Senate and House Appropriations Committees as we develop a state spending plan for the fiscal year that begins July 1.

I will continue serving as chairman of the Senate Aeronautics and Transportation Committee, while also serving on the Public Safety, Judiciary and Rules committees. I'm also still a member of the Senate Appropriations Committee and the Appropriations Subcommittee on Natural Resources and Regulatory Services. In recent weeks, the Appropriations subcommittees have held a series of public meetings with agency leaders to discuss their annual budget requests. Understandably, most agencies requested budget increases. The subcommittees will work closely with agency heads throughout this session as we work to build a balanced state budget.

Education is poised to be the focus of this legislative session, especially as we explore ways to improve child literacy. I've filed several bills related to education, including measures to continue school security funding after the state's three-year pilot program expires and to expand how public school foundations can use their funds to support professional development, scholarships and new classroom technology.

In recent years, the Legislature has made criminal justice reform a priority while still preserving public safety. To build on that progress, I've filed several bills to reform the Oklahoma Pardon and Parole Board.

Other legislation I filed addresses the need to protect children from the growing risks associated with social media. Taxes are also a recurring topic each session, and that won't change this year. I've filed bills to modify gross production taxes and the taxes levied on vehicle sales.

On a final note, I always enjoy hosting high school students from my district who volunteer to serve as Senate pages during the session. The page program gives students a behind-the-scenes look at the legislative process and helps spark an interest in public service. I look forward to meeting this year's pages.

It's always an honor to serve the people of Senate District 26. If I can assist you in any way, please don't hesitate to reach out to my office or visit me at the Capitol. Call my office at 405-521-5545 or email Darcy.Jech@oksenate.gov.

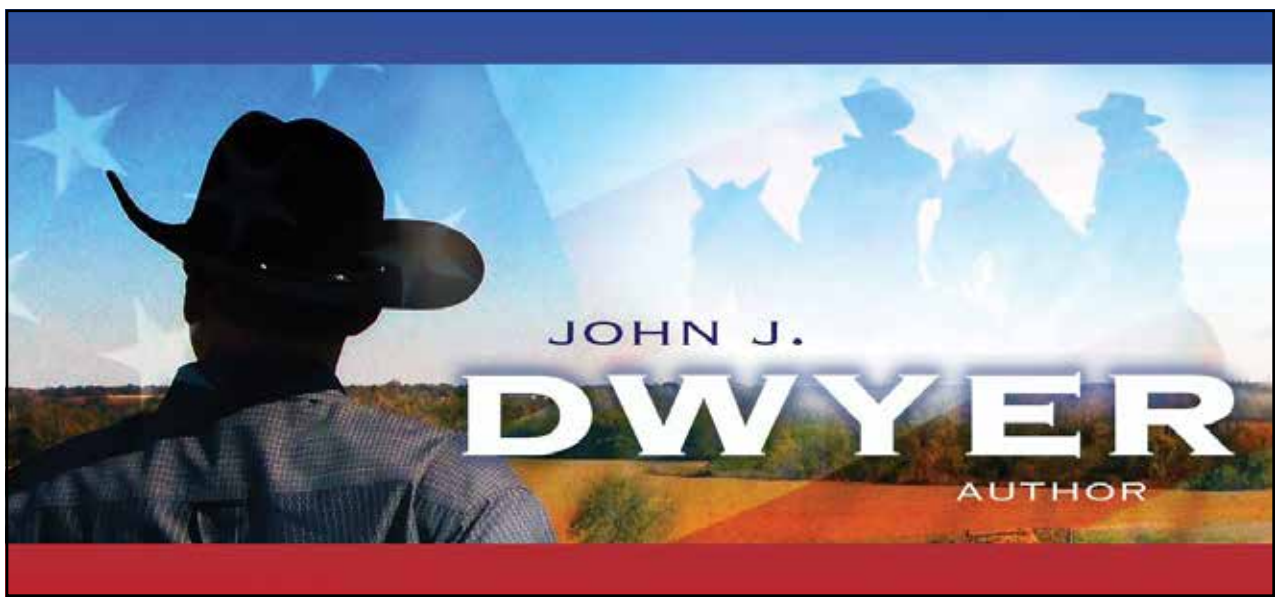
Award-Winning Author and Historian John J. Dwyer to Give Weatherford Banquet Address



Silas Dodgen
SCV Organizer

The Brigadier General Douglas Hancock Cooper Camp #2361 of the Oklahoma Division of the Sons of Confederate Veterans will host a Lee/Jackson banquet at 6:30 P.M. on Friday, February 27th at Lucille's Roadhouse in Weatherford. The recently chartered camp, which meets monthly in Clinton, is excited and honored to bring Oklahoma's own John J. Dwyer (https://www.johnjdwyer.com/) to Weatherford. Dwyer, a renowned Oklahoma historian, educator, pastor, and award-winning author, will give the keynote address. Mr. Dwyer has published numerous books, including the highly acclaimed two-volume history of Oklahoma entitled The Oklahomans, and heads the Red River Institute of History, an organization devoted to teaching the history of Oklahoma and telling the stories of her people.

The purpose of the banquet is to honor and perpetuate the memory of Confederate generals Robert E. Lee and Stonewall Jackson. The event is open to the public and will be of particular interest to history lovers, especially those with an interest in these two generals, the War Between the States, and the South in general. Reservations are required by February 19 and may be made with a call to camp commander and event coordinator Silas Dodgen, who may be reached at (580) 774-9718. Attendees will have a chance to purchase autographed copies of Dwyer's books, which include both historical works and novels, and meet the author.

Admission, payable at the door by cash or check, is $17 for adults, $5 for kids 6-12, and free for kids 5 and under.

The Sons of Confederate Veterans (SCV) is the direct heir of the United Confederate Veterans and is the oldest hereditary organization for male descendants of Confederate soldiers. Organized at Richmond, Virginia in 1896, the SCV continues to serve as a historical, patriotic, and non-political organization dedicated to ensuring that the history of the 1861-1865 period is preserved and that the service and sacrifice of the Southern soldiers and sailors are not forgotten. Membership in the SCV is open to all male descendants of any veteran who served honorably in the Confederate armed forces.

WEST OK / DEVON MERGER - Following a proposed merger with Coterra Energy, Devon Energy is moving its corporate headquarters to Houston. "I really think that's a poor decision, but it doesn't surprise me with how big Devon Energy has gotten," State Representative Anthony Moore of Clinton reacted to the news. "I think if you go back and look, Phillips did something very similar. I don't think that worked out well in the long run for Phillips, especially Phillips in Oklahoma." Officials with Devon and Coterra said additional details about integration plans will be shared as the transaction moves toward closing. The merger is expected to be finalized next year, setting the stage for further decisions about how operations will be split between Houston and Oklahoma City.

ODOT / WINTER STORM - ODOT's Executive Director spoke to the transportation commission about the work of crews during the recent winter storm. "Since January 19th, ODOT spent about $7.7 million on our winter weather response. That includes 44,000 tons of salt and sand [and] a little more than half a million gallons of brine," explained Division 5 Engineer Will Snipes.

CLINTON / RUSSELL RETIREMENT - Clinton Fire Chief Brett Russell was honored at the most recent city council meeting with a retirement reception, marking 27 years of service to the city. As he enters retirement, Russell plans to focus on his personal business and enjoy his time being a grandfather.

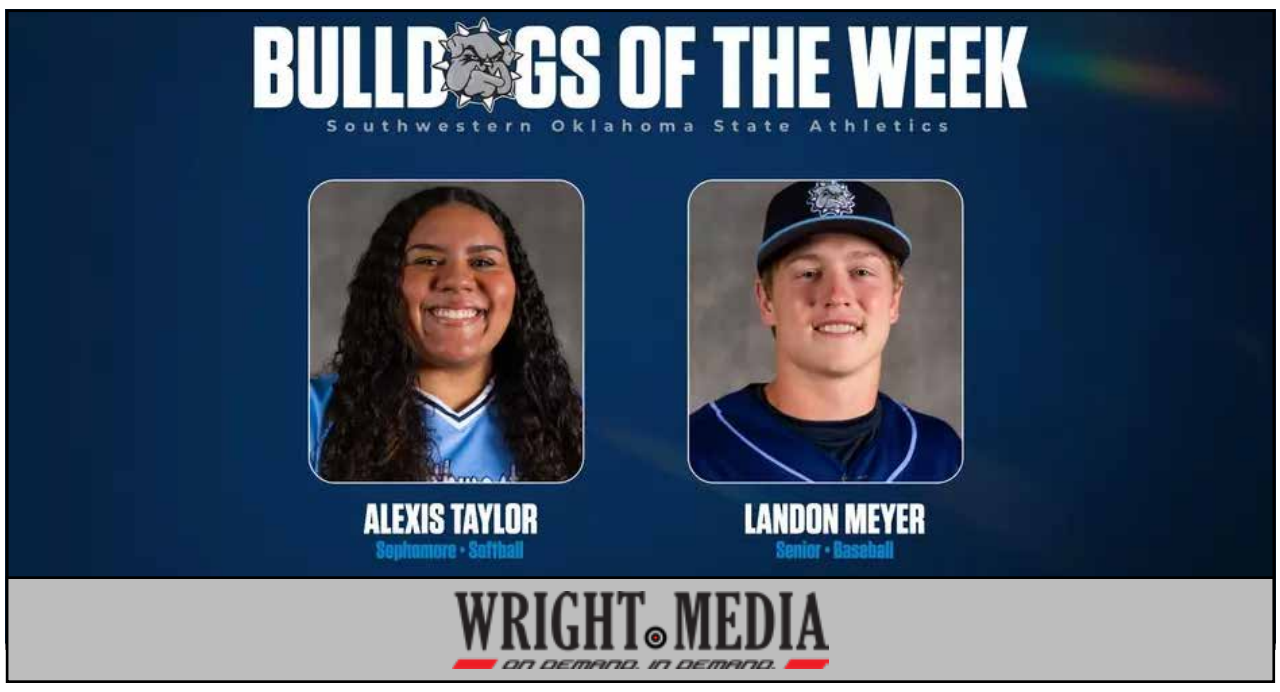
Taylor and Meyer Named Bulldogs of the Week



Jon Chidester
SWOSU Media Relations

Spring sport standouts Alexis Taylor (softball) and Landon Meyer (baseball) have been named the Bulldogs of the Week, presented by Wright Media — the official partner for SWOSU athletic livestreams and radio broadcasts.

Taylor (Frisco, Texas) was dominant in the circle last week, throwing two complete games while allowing just three hits across 13 innings. Against Upper Iowa, Taylor struck out 10 and recorded the first complete-game shutout of her career in a 1-0 victory.

Taylor followed with another strong outing against No. 18-ranked Rogers State, allowing just one run in the first inning before retiring 15 straight batters to close the game. Despite her effort, the Bulldogs came up short in a 1-0 loss.

Meyer (Lincoln, Neb.) powered SWOSU Baseball's four-game sweep of Adams State over the weekend, recording three separate three-hit performances. He hit three home runs, added two doubles, and finished the series 9-for-16 at the plate. Between RBIs and runs scored, Meyer accounted for 14 runs in the Bulldog offense.
