# Clinton High School's "Mock Trial" Team Competes in Philadelphia

Clinton High School's Mock Trial Team recently journeyed to Philadelphia in order to compete at the Constitution Classic Empire Mock Trial competition which spanned four days from October 15th through the 19th. Competing against schools from across the United States as well Canada, Clinton students tested their legal mettle while making new friendships and seeing the birthplace of the United States.

A "Mock Trial," for those who may not be aware, pits high school students from different schools into a simulation of the legal process. In this environment, students have an opportunity to play attorneys, witnesses, court reporters, and court artists.

Having applied for the competition last spring, Ashley Kelley, Clinton High School's Mock Trial Teacher, and her students received confirmation of their acceptance into the competition last June. "The application process was kind of crazy," said Kelley, who helped her students submit an opening or closing argument speech; an essay on what Mock Trials meant to the students; and demonstrations of public speaking and cross examinations performed by the Clinton Mock Trial Team.

Kelley and her students began fundraising as soon as they found out they were accepted into the competition. Before they knew it, they were on a flight from Dallas to Washington D.C.

After a whirlwind walking tour of the Nation's Capital, the team made their way to Philadelphia to compete. "I always knew I wanted to go into law, so I thought this would be really beneficial to me," said Alexandra Fuentes, Junior Captain of the mock trial team and one of the students who attended the competition. Fuentes and her fellow students played the role of defense in their mock trial, as they had to defend a fake celebrity on trial for the disappearance of a rival celebrity.

Ace Elizondo, the Senior Team Captain for the Clinton Mock Trial Team, was a little nervous at first. "For Empire, I was a full-time attorney for the very first time," said Elizondo, "It was scary because it was a bunch of new stuff, but I handled it. I learned what I needed to do and I got it done. Ace, who's been a member of team for the entire high school career summarized how he'd describe mock trial to any prospective Clinton Students: "You have to be willing to put up your personal time for this class and you have to be able to take criticism and learn how to learn from criticism you get. But overall, it is such a great experience you should have for later in life."

While the team may not have won the competition, they placed 29th out of 32 teams, the lessons they learned and the connections they made with their peers from across the country will be invaluable as they move on from high school into adulthood.

**ELK CITY / LUCAS -** U.S. Third District Congressman Frank Lucas recently paid a visit to Elk City to address members of their Rotary Club. Congressman Lucas says there's a lot of work to do when the nation's leaders return to Washington D.C. the week after the general election. "We still have to finish funding the federal government for the rest of this bookkeeping year until the last day of September 2027," he explained. "We passed something called a Continued Resolution (CR) to fund everything until December 11 of this year, which meant no shutdown this Fall. I hope for an orderly process to fund the rest of the government." Lucas added that congress still needs to pass, among other things, the National Defense Authorization Act and reauthorize the Federal Highway Bill.

**WEATHERFORD / SHIELD DEDICATION** A dedication was recently held at Jerry's Diner in Weatherford for a new space-themed Route 66 shield. "We're going to have 48 of these across the state; each one is completely unique to each community and we're slowly but surely getting them all out," Kerry Barrick, who serves as the Route 66 State Director, shared about the Route 66 shield project. "We've worked with those communities to get the icons and different ways that they identify on the route, and the idea is to get people to stop as many times as possible between Quapaw and Texola." The shield in Weatherford was donated by the Oklahoma Route 66 Commission and funded by Public Service Company of Oklahoma and Devon Energy.

**BECKHAM CO / RISENHOOVER -** Beckham County will be searching for their next Emergency Management Director. Current Director Lonnie Risenhoover says he is retiring at the end of the year after a lengthy career. Risenhoover expressed that "the people" are what he will miss most about the position he has held for so long. "I miss working with the people and just being able to help somebody." Risenhoover has served as Beckham County Emergency Management Director since September 2007, following 20 years with the Sayre Fire Department. Risenhoover was presented with an award during the recent Homeland Security Conference in recognition of outstanding contributions to public safety and emergency management.

## Judd Walpole

Judson David Walpole, age 58, longtime Clinton resident, was born September 11, 1968, in Mexia, Texas, to Charles Douglas and Sammie Joyce (Christoferson) Walpole, and passed away Tuesday, October 27, 2026, in Oklahoma City, Oklahoma.

Judd, as he was affectionately known by his family and friends, was raised in Coolidge, Texas, where he attended school and graduated from Coolidge High School in 1985. During his younger years, he was a member of the First Baptist Church in Coolidge.

Judd began his working career with Kenny Crisp, owner of K.C. Fumigation, where he remained for several years. In 1999, he began working at McKinsey-Ballard Ford, where he found not only a career but something he truly loved doing. He became General Manager in 2003 and remained with the dealership through the transition when Max McKinsey purchased his partner's interest. Judd continued working alongside Max throughout the years, building lasting friendships with coworkers and customers alike. Selling cars was more than just a job to Judd; it was something he genuinely enjoyed. His outgoing personality and ability to visit with just about anyone made him a natural in the car business.

On December 27, 2000, Judd married the love of his life, Debbie Leddy, in Las Vegas, Nevada. Together, they shared a life filled with love, family, and many wonderful memories.

Judd was a man of many interests who enjoyed spending time outdoors. He loved fishing, hunting, gardening, and playing golf. He also enjoyed collecting coins and old stamps. He had a special appreciation for nature, particularly birds and trees. Judd could often be found pointing out a bird flying overhead and telling his family exactly what kind it was, or identifying the different trees around them. He enjoyed sharing his knowledge with others and always seemed to have something interesting to talk about.

Above all, Judd loved his family and treasured the time he spent with them. He was a friendly, outgoing man who never seemed to meet a stranger. Whether he was visiting with a customer, spending time with friends, or enjoying the outdoors, Judd had a way of making those around him feel welcome. He will be remembered for his warm personality, his love of conversation, and the many friendships he made throughout his life.

Judd was preceded in death by his parents, Charles and Sammie Walpole, and his sister, Shirley Lyons.

He is survived by his loving wife, Debbie Walpole, of the home; his sons, Austin Walpole and Mason Walpole, both of Clinton; his daughter, Samantha Dixon; and his grandchildren, Lane Willis and Harper Pickens.

He is also survived by his sister, Marcy Walpole of Mexia, Texas; his brother, Charles Walpole, also of Mexia; his sisters-in-law, Deena Martindale and her husband George of Elk City, Denise Gerhold and her husband Bill of Elk City, and Deah Miller and her husband Dale of Union City, Oklahoma; his mother-in-law, Linda Leddy of Canute; and numerous nieces, nephews, cousins, and dear friends.

Funeral services for Judson David Walpole will be held at 10:00 AM, Saturday, October 31, 2026, at the First Christian Church in Clinton, Oklahoma, with Charles Simpson officiating. Burial will follow in the Sayre-Doxey Cemetery, under the direction of Lee Hometown Funeral Home.

Visitation were held on Thursday, October 29, 2026, until 8:00 PM, and Friday, October 30, 2026, from 12:00 PM until 8:00 PM, at Lee Hometown Funeral Home in Clinton. The family received friends and guests during Friday's visitation from 6PM to 7PM.

Judd will be remembered as a devoted husband, loving father and grandfather, a dedicated friend, and a man who truly enjoyed life. His friendly smile, easygoing conversations, and love for his family and friends will be deeply missed by all who knew him.

A woman of Cheyenne and Arapaho heritage, Tina's life was shaped by the love she shared with her family and the many relationships she built throughout her years. She attended Clinton Public Schools and married Roberto Cantu on June 28, 1979, in Clinton, OK.

Tina had a special love for her family and treasured the time she spent with her children and grandchildren. One of her favorite things was dancing to country music with them, making memories that will continue to live on in the hearts of those she loved. She was a caring woman who enjoyed looking after others, a kindness she also shared through her work as a Certified Nursing Assistant. Throughout her career, she worked at Grace, River Valley, and Methodist nursing homes caring for others along the way.

When Tina wasn't spending time with family or caring for others, she enjoyed garage sales and shopping. Those who knew her may remember that she rarely wore shoes, a little detail that was simply part of who she was. It is often these everyday memories, the laughter, the dancing, and the familiar things that made someone special, that remain closest to the hearts of those left behind.

William attended Amarillo schools and enjoyed the things that made life special to him. He had a deep love for rock music, with AC/DC and KISS among his favorites. He also enjoyed songs like "December, 1963 (Oh, What a Night)" and "Summer of '69." Music was one of the many things that brought him joy throughout his life.

Family was especially important to William, and he treasured the time he spent with those he loved. He also enjoyed attending car shows, often going with his brother in law, Juan and his 1980 Corvette, which was a source of pride and enjoyment for him.

## Second-Half Defense Carry Bulldogs Past UAM

**Jon Chidester**
SWOSU Media Relations

SWOSU Football answered every Arkansas-Monticello score in the first half, then leaned on its defense and rushing attack after halftime to secure a 37-21 Homecoming victory Saturday at Flex-Chem Field.

The Bulldogs scored the final 23 points and held UAM scoreless over its final seven possessions. The win was SWOSU's third straight and fourth in the past five games, bringing the Bulldogs back to .500 at 4-4 after an 0-3 start.

SWOSU produced season highs of 499 total yards and 360 rushing yards while averaging seven yards per play. The rushing total was the fifth-highest single-game mark of the program's NCAA Division II era, with all five Bulldog touchdowns coming on the ground.

Charles Mutter led the way with 147 yards and two touchdowns on 10 carries. His performance included a 56-yard touchdown before halftime and a 64-yard run that set up another score in the fourth quarter.

UAM turned a first-quarter fumble into the game's opening points, driving 82 yards in six plays and scoring on a 4-yard run. Dante Dean answered for SWOSU by capping an 11-play, 80-yard drive with a 12-yard touchdown that tied the game at 7-7.

The Weevils continued to find success through the air, using touchdown passes of 74 and 15 yards to regain the lead twice during the second quarter. SWOSU responded both times. Red Martel finished a 76-yard drive with a 7-yard touchdown to make it 14-14, and after UAM moved back ahead with 3:01 remaining, Mutter broke free for a 56-yard score less than a minute later to send the game into halftime tied at 21-21.

The Bulldogs changed the game defensively after the break. UAM gained 294 yards in the first half but was limited to 65 yards and three first downs across seven scoreless second-half possessions.

SWOSU took its first lead midway through the third quarter after Christian Clarke pinned the Weevils at their own 10-yard line. Two plays later, a bad snap resulted in a safety and a 23-21 Bulldog advantage.

The game flipped early in the fourth quarter with UAM driving inside the SWOSU 20 and threatening to reclaim the lead. Kelton Moore forced a fumble that Keshaun Jackson recovered, and Mutter raced 64 yards on the next snap. Two plays later, Kannin Boswell scored from 18 yards out for his first touchdown of the season, turning a potential go-ahead UAM drive into a two-possession SWOSU advantage at 30-21.

After the defense forced a three-and-out, SWOSU put the game away with a seven-play, 55-yard drive. Keith Rockwell powered his way for a 29-yard run during the possession before Mutter scored from two yards out to complete the Bulldogs' run of 23 unanswered points.

Martel finished with 65 yards and a touchdown, Rockwell added 52 yards and Dean supplied 47 yards and a score. Braxton Etheridge completed 9-of-18 passes for 139 yards without an interception, with Baylor Nash and Matthew Young each recording 47 receiving yards.

Madox Sekyere led the defense with 11 tackles. Moore totaled seven tackles, a forced fumble and a pass breakup, while Maddux Boyd added six stops. Keith Hargraves and Jeremiah Flores each recorded a sack.

SWOSU travels to Arkadelphia next Saturday to face Ouachita Baptist at 1 p.m.
