

“Community Care Drive” is Seeking to Meet Needs of Caddo County

The Wright Place & Co Foundation, based in Hinton, is hosting a Community Care Drive and encourages residents from around Western Oklahoma to donate food and hygiene items for those in need. All proceeds from Community Care

Drive will be provided to The Wright Place & Co Foundation's Food Pantry and Blessing Box.

The Community Care Drive and The Wright Place & Co Foundation asks residents to donate food items such as canned food and ready to eat items as well

as hygiene items such as toothpaste, deodorant, feminine hygiene products and diapers for babies and adults. You can find donation boxes in Hinton at True Value, Xpress Auto, Hinton Public Schools and the Hinton Library. And you can find donation boxes in Binger at the Binger Nursing home and Binger Public Schools.

According to The Wright Place & Co Foundation Founder and President Taylir Wright, the items that residents need the most are diapers for babies and adults and feminine hygiene products. “Everybody needs them at one point in their life,” said Wright, “so if we don’t have them and that’s something you need, somebody from our organization’s gonna go in and buy it.” Wright also spoke against any shame or stigmas associated with obtaining any items from their pantry, but especially feminine hygiene products, and promised that there would be no judgment for anyone trying to get the help that they need. “People need help in all walks of life and that’s what we’re here for,” added Wright.

The Wright Place & Co Foundation is also renovating and expanding their Food Pantry located at 119 North Broadway in Hinton to meet the needs of Caddo County residents. The Food Pantry is open 9am to 4:30pm, Monday through Friday.

The Community Care Drive is part of several community focused initiatives the Wright Place & Co Foundation has started over the past couple of years. Other initiatives include Letters to Santa, which gifts Christmas presents to children in need, Back to School Bashes, which offer school supplies to those in need, as well as scholarships for students around Caddo County.

“We currently help families within a 20 mile bird’s eye view from Hinton,” said Wright “We started with a little blessing box... and as of today we’re remodeling our facility, so we can have more food and a better selection.” During the renovations Wright asks that residents be patient with the foundation as they try to better meet the needs of Caddo County.

For more information about the Community Care Drive or their Food Pantry or to obtain a donation box you can contact The Wright Place & Co Foundation by calling 405-352-7508.

BECKHAM CO / I-40 RAMP CLOSURE

According to officials with the Oklahoma Department of Transportation, the eastbound Interstate 40 off-ramp will close at I-40 business in Sayre from now through January 2027 for a bridge rehabilitation project. Traffic can detour by exiting I-40 at State Highway 152 and going west to I-40 Business in Sayre. Drivers are urged to use caution in the area.

CLINTON / LEXINGTON AVE -

The Oklahoma Department of Transportation says eastbound and westbound lanes of Lexington Avenue in Clinton will shift onto temporary lanes near Interstate 40 Business beginning now until mid-October as part of ongoing work in the area. Drivers are urged to use caution in the area and be aware of crews and equipment in the work zone.

DEWEY CO / FATALITY ACCIDENT -

The Oklahoma Highway Patrol says one man is dead following an accident near us 270 road and east 730 road in Dewey County on Saturday, September 5th. Passenger Brayan Romael Cajas Sales, age 22 of Plano, TX, died as a result of the accident. Troopers say the vehicle, driven by 20-year-old Marco Herrera Lopez of Las Vegas, was traveling southeast of US 270 Road and departed the roadway to the left, overturning. The driver was uninjured.

WEATHERFORD / AUTO ZONE -

Construction crews are moving quickly on the new Auto Zone building on Main Street in Weatherford. “They say they will be done with construction the end of September, early October,” says Economic Development Director Yolanda Creswell. More details to follow regarding the exact opening of the store.

MUNSON / COST OF LIVING -

Gubernatorial Democratic Nominee Cyndi Munson recently highlighted one of her plans to alleviate rising costs for Oklahomans if she is elected the next governor of the state of Oklahoma. “We can look at putting policies in place to cap [rising costs, such as] health insurance and home insurance premiums,” Munson explained. “We all just expect and feel and know that things are going up [in price], so we feel powerless in taking control of that, but we can.” Munson also took time to highlight other statewide elections appearing on the 2026 midterm ballot. “I hope people don’t forget we have an insurance commissioner race that’s also happening. Whoever we elect as commissioner [will affect] whatever bill I sign into law. Policy has to be enforced by the insurance commissioner as well, and [they cannot] allow corporations and insurance companies to come and take advantage [of people]. We’ve got to get a handle on some of these things.” Munson will appear on the November 3rd General Election ballot with Republican nominee Mike Mazzei, as well as three independent candidates.

WEATHERFORD / HOSPITAL SURGEON

A new full-time general surgeon has joined Weatherford Regional Hospital. Chief Executive Officer Darin Farrell says Dr. Jacob Swords is scheduled to begin seeing patients this week. “[Swords] is trained on the new Da Vinci Surgical Robot that we’re getting and so that’s going to be great,” shared Farrell. “Hopefully we will have that in place within the next couple of months depending on how the grant process works.” SWOSU received grant funding to help pay for the Da Vinci SP through the Oklahoma Rural Health Transformation Program.

Rita Island

Rita Lavonne “Big Medicine” Island was born on June 13, 1952 in Watonga, OK, to Joseph Big Medicine and Emma Jean (Black Bear) Big Medicine. She passed away on September 2, 2026 in Weatherford, OK, at the age of 74.

Rita was raised in Watonga and graduated from Watonga High School. She then attended Bacone College and later transferred to California State University in Long Beach, California. She came back home to Oklahoma and earned her Certified Nursing Assistant certification. Rita spent her working years in nursing homes and doing home health care. Over the years, she lived in El Reno, Watonga, Woodward and Weatherford, Oklahoma, as well as Lame Deer, Montana.

Rita was a proud member of the Cheyenne and Arapaho Tribes, and her Native heritage was an important and cherished part of her life. She expressed her love and dedication to her culture through her talent for creating Native American regalia. Rita was skilled in making all aspects of regalia, putting her time, creativity, and craftsmanship into each piece. She especially enjoyed beadwork and creating pieces for others. Rita also danced when she was younger and enjoyed spending time with her mother, Emma Jean Blackbear. When she traveled, she often went to Montana to visit relatives and friends on the Northern Cheyenne Reservation.

Rita was a strong believer in Jehovah's New System of Things and held firmly to her faith in the resurrection. Her faith was an important part of her life, and she looked forward to the day when she would be reunited with family, friends, and loved ones. Rita enjoyed studying with the Jehovah's Witnesses whenever she had the opportunity and found comfort and strength in her faith and the hope it gave her.

Rita enjoyed traveling, watching television and movies, camping, taking walks, and spending time at the casino. Above all, Rita always made time for her children, who were especially important to her. She made sure her children were fed, clothed, and always had a home, and she consistently put their needs first and was always there to help and care for her family. . She especially enjoyed spending time with her grandchildren and would travel to New Mexico and Colorado to visit her grandson Ezekiel Maliek Whiskers and she loved her granddaughter Stormy Anrita Good Bear of Montana.

Rita also spent a great deal of time with her son, Henry Limpy III, making sure he was cared for and looked after. She had a caring heart and often reached out to family members and others who were hurting, always wanting to help in whatever way she could. Rita believed strongly in family, friends, and relatives and always hoped for the best for everyone. She will be remembered for her kindness, her willingness to help others, and the warmth and care she showed to those around her.

She was preceded in death by her parents; brother, Joe Big Medicine, Jr.; son, Josh Big Medicine; daughters, Tara and Rikki Big Medicine; and sister, Roberta Rose Whistling Elk.

Rita is survived by son, Henry Limpy, III of Weatherford, OK; son, Anthony Limpy of El Reno, OK; daughter, Emma Limpy of Lame Deer, Montana; and son, Keith Island, Jr. of Custer County, OK.

Melvin Chisum

Melvin Chisum of Hydro, Oklahoma, passed away peacefully at his home surrounded by his loving family on September 5, 2026, at the age of 81. He was born October 12, 1944, to Leonard Albert and Floy "Jack" (Seal) Chisum.

Melvin graduated from Hydro Public Schools in 1962. That same year, he married Earline Kimble and made the decision to give his life to Christ. Together they built a family and raised three children: LaDonna, Lynette, and Tyler. In 1981, he married Patsy Baker, whose son, Darin, became a cherished part of the family.

He was a great dad who taught his children the lessons, values, and strength that helped make them who they are today. His love for his family was evident in the way he lived his life and in the lasting impact he had on those around him.

Anyone who knew Melvin knew his humor. He was famous for his one-liners and "Melvin-isms," and even at 81, they never slowed down - the comebacks came faster than anyone could keep up with. He loved telling jokes, and those who knew him well understood his soft spot for Disney.

Melvin was honest and direct - nearly everyone in his life received a dose of his wisdom at one time or another, whether they asked for it or not. He had a way of teasing and giving people a hard time, but if he picked on you, you knew it was his way of showing that he cared. Many saw him as a tough guy, but underneath was a deeply loving and devoted man. Nothing showed this more than the way he cared for Patsy through her battle with dementia.

Melvin is survived by his children, LaDonna and husband E.D. Maxwell of Great Falls, Montana, Lynette Thompson and husband Ken of El Reno, Tyler and wife Julie of Hydro, Darin Paoli and wife Mason of Kansas City, Missouri; Stanley Paoli and wife Michelle; grandchildren, Chase Ladd, Derek Chisum and wife Paxton, Toby Chisum, Jacob Paoli, London Paoli, Priscilla Paoli and Sydney Paoli; great-granddaughters Wrenlee and Oakley Chisum; brother-in-law, Terry Baker and wife Cathy of Butler, Stephanie Whittington and husband Rick and Jason Baker, and his dog "Bones".

He was preceded in death by his parents, the love of his life, Patsy, his brothers Milton and Roy, and his 30 uncles/aunts and their spouses, his father-in-law and mother-in-law, Buss and Erma Baker.

The family would like to extend special thanks to Good Shepherd Hospice, and especially his fabulous nurses Tressa and Melissa, for their kindness and dedication.

Dorothy Schapansky

Dorothy Jane Schapansky, 76, passed away on September 7, 2026, at Joplin Gardens in Joplin, Missouri. She was born October 14, 1949, at Ft. Knox, Kentucky, to Sgt. Maj. Darby Alexander (Buster) Gray and

Geraldine Thelma (Spradlin) Gray. Raised in a military family, Dorothy spent her early years traveling before settling in Lawton, Oklahoma, where she graduated from high school in 1967.

Dorothy married N.B. Elam, Jr. in 1978 and graduated from Western Oklahoma AVTS Vocational School of Practical Nursing in 1979, beginning her career as an LPN. She worked for more than 20 years at the DOC Oklahoma and Clinton Division Oklahoma Veterans Center, dedicating her career to caring for others.

Following N.B.’s passing in 1992, Dorothy married Randy Schapansky in 1994. They lived in Sentinel, Oklahoma, until 2023, when Dorothy moved to Joplin, Missouri, to be closer to Randy’s family.

Dorothy never met a stranger and could talk your ear off if you gave her the chance. She found joy in cooking, baking, crocheting, plants, and especially her beloved cats. Her love of animals and the simple things in life brought her great happiness.

Dorothy was preceded in death by her parents, Sgt. Maj. Darby Alexander Gray and Geraldine Thelma (Spradlin) Gray; her brother, Darby Gray; her nephew, Lt. Conan Gray; and her first husband, N.B. Elam, Jr.

She is survived by her husband, Randy Schapansky; sister-in-law, Vickie Gray; nephew, Casey Gray; niece, Mollie Gray; and many other family members and friends who loved her.

Dorothy would not want those who loved her to simply mourn her. She would want you to carry on remembering her when you are cooking for the people you love, to smile when you use one of her many crocheted baby blankets, and perhaps to talk a little longer than necessary, because Dorothy certainly would have.

Lucy Gall

Lucille Bea Gall was born in Baltimore, Maryland on July 13, 1955, to George D. and Violet Pearl (Griffin) Gall. She passed away at her home in Hydro, Oklahoma on September 3, 2026, at the age of 71.

Lucy was raised in the Baltimore area and attended school there. After high school, she enrolled at the University of Maryland, College Park. She later trained for the Olympic Volleyball Team, but never attended the Olympics after the U.S. Olympic boycott.

Lucy went to Culinary School Baltimore and spent many years as a sous chef.

Lucy didn't like to stay in one place for very long, she spent many years traveling up and down the East Coast and to different states, seeing what they had to offer. After several months, she would always come back "home". In 2008, Lucy had been staying in Arizona and decided it no longer served her. Her best friend, Loretta had recently moved to Amarillo and Lucy decided to join her and give the Lone Star State a try. In 2010, they moved to Guthrie, OK, where Lucy worked as a deli manager in a grocery store. After awhile, the friends became homesick for the ocean. They moved again in 2014, first to Rhode Island and then up the coast to Provincetown in Cape Cod where they would spend the next 2 years.

Lucy made her final move to Oklahoma in 2016 and worked in food service at the University of Science and Arts of Oklahoma in Chickasha, OK, and SWOSU in Weatherford, OK. She finally retired in 2022 and spent the next years living alongside Loretta in Hydro, OK.

Lucy loved animals, especially her cat, Tigger. She found joy in nature, and the ocean was her favorite. The whale sanctuary and amazing seafood were among the many things that drew her to live in the small, Portuguese fishing town of Provincetown. Lucy lived a full life and never met a stranger.

She was preceded in death by her parents and 3 sisters - Fay Duley, Marsha Fiedler and Debra Quelet.

Lucy is survived by her best friend of nearly 30 years, Loretta Dougherty; siblings, Alice Giesler, Sharon Cronin, George Gall, Bruce Gall and their spouses; 11 nieces and nephews; 7 grand-nieces and nephews; and her friend, Ruby Dempsey.

David Raya

David Vincent Raya, 59, passed away on September 7, 2026, in Huntsville, Arkansas. David was a proud member of the Cheyenne and Arapaho Tribes. He was born on June 8, 1967, in Los Angeles, California, to Alfred and

Shirley (Alvarado) Raya.

David and his family later moved to Hammon, Oklahoma, where they made their home. He graduated from Hammon High School in 1986, where he played baseball. David was a talented baseball player who truly loved the game.

After high school, David began working in the oilfield as a pipeline worker. He later found a career in wildland firefighting and most recently served with the Black Kettle Wildland Fire program as an Engine Boss. David took great pride in his work and in the responsibility of helping to protect the land and the people around him.

David had a personality that was hard to forget. He loved to joke, laugh, and spend time with his friends and family. He enjoyed fishing, exploring, going to the casino, and spending time outdoors. He never minded being loud and having a good time, and his sense of humor could fill a room.

More than anything, David loved his grandchildren. His 18 grandchildren brought him tremendous joy, and he loved playing with them, spending time with them, and making memories together. His family was the center of his life, and he will be remembered for the love, laughter, and memories he shared with those around him.

David was preceded in death by his daughter, Danielle Raya.

He is survived by his parents, Alfred and Shirley Raya; his son, Timothy Raya of El Reno, Oklahoma; his daughters, Mia Raya of Hammon, Oklahoma, and Rena Raya of Austin, Texas; his brothers, John Ricker of Rogers, Arkansas, Richard Guzman of El Reno, Oklahoma, and Gino Raya of Los Angeles, California; his sister, Gina Raya of Los Angeles, California; 18 grandchildren; and a host of other family members, friends, and loved ones.

David will be remembered as a proud member of the Cheyenne and Arapaho Tribes, a hard-working man, a dedicated firefighter, a loyal friend, and, most importantly, a loving father and grandfather. His laughter, his stories, his larger-than-life personality, and the memories he made with his family and friends will continue to live on in the hearts of those who knew and loved him.

Kyle Ward

Kyle Jodane Ward was born in Atoka, OK, on February 19, 1969 to Frank Joseph and Brenda Joyce (Cook) Ward. He passed away in Weatherford, OK, on September 4, 2026, at the age of 57.

Kyle was raised in Kingfisher and Vici where he went to elementary and junior high school where he played youth baseball and graduated from Seiling High School with the Class of 1987. After high school, he worked as a Correctional Officer at Dewey County Jail. He then attended Redlands Community College, earned an Associate Degree in Emergency Medical Technology and became a Paramedic.

For the next 40 years, Kyle made a life working as a Paramedic. Thirty of these years were spent in Weatherford working for Sinor and American Medical Response. He also worked for Pafford EMS in Okmulgee County.

Over the years, Kyle dedicated his time to his children as a single dad. He stayed busy attending all of their school events. He also enjoyed going to the lake, camping and fishing. Watching football was also a favorite past time, especially the Green Bay Packers and the Pittsburgh Steelers.

Kyle is survived by sons, Dylan, Dalton and Matthew Ward; daughter, Savannah Ward; mother, Brenda Ward; father, Frank Ward and his wife, Susie; brothers, Kurtis Ward and his wife, Cindi and Todd Ward and his wife, Heather. He also leaves behind his fiance, Monica Dew.

Regional Food Bank of Oklahoma Continues Food for Kids Campaign Through September 30

Audrey Johnson
Marketing Specialist

Thousands of Oklahoma children have returned to the classroom, and the Regional Food Bank of Oklahoma wants to ensure no child goes to school on an empty stomach this school year.

“Food is the most essential school supply,” said Stacy Dykstra, chief executive officer of the Regional Food Bank of Oklahoma. “When children across our state are fed, students can focus on learning, not hunger.”

Donations will continue to be matched, dollar-for-dollar, up to 285,000 through Sept. 30, thanks to generous support from the Masonic Charity Foundation of Oklahoma, Mark and Beth Brewer, Expand Energy, Dolese Brothers Corporation and David and Lezlie Hudiburg.

“At Dolese our mission is to improve our communities with our products, actions and support,” said Kermit Frank, vice president of communications and community relations at Dolese Bros. “We can’t think of any better way to live out that mission than to support the Regional Food Bank and their work addressing food insecurity.”

Every dollar raised will go towards the Regional Food Bank’s four Food for Kids programs.

Funded programs include the School Pantry Program, the Summer Feeding Program, Kids Cafés and the Backpack Program.

The Kids Café Program, one of the four Food for Kids programs, provides meals and snacks at after school and school break programs that offer tutoring and mentoring services to children like Zeona.

Zeona is 17 years old, and a junior at a northeast Oklahoma City high school. She has been coming to the Kids Café Program at Pitts Recreation Center after school for the last two years with her two younger nephews. The food she receives at the Kids Café has been a consistent source of nutrition for them over the years, and she doesn't know what she would do if the program wasn't here. Now, she works to spread the word to those at her school who are struggling, so they can receive help, too.

"I can tell when a kid hasn't eaten in a few days by the way they act," she says. "They get what they need here, and they are perfectly fine when they leave."

Just \$100 provides a full school year of meals for two children through one of the Regional Food Bank’s Food for Kids Programs. Donations can be made online at rfbo.org/kids or by texting “KidsOK” to 53-555.

SWOSU: Sims, Beasley, Gooden, and McIntyre Named Most Recent “Bulldogs of the Week”

BULLDOGS OF THE WEEK

MACKENZIE SIMS

Volleyball

DEANDRE BEASLEY

Football

MALCOM GOODEN

Football

REAGAN MCINTYRE

Women's Rodeo

Jared Steward

SWOSU Grad Asst.

DeAndre Beasley (football) and Mackenzie Sims (volleyball) have been named the Bulldogs of the Week for September 7-11, presented by Wright Media — the official partner for SWOSU athletic livestreams and radio broadcasts. Sims (Amarillo, TX) helped direct the Bulldog offense during a three-match winning streak to close out the Gorilla Classic. The sophomore setter totaled 116 assists (11.6/set) across the three victories, highlighted by a season-high 49 in a four-set win over Truman State. She added 36 assists in SWOSU's sweep of previously unbeaten tournament host Pittsburg State before closing the weekend with a 31-assist, 10-dig double-double against William Jewell. Beasley (Lee Summit, Mo.) made an immediate impact in his first game as a Bulldog, hauling in a game-high 12 receptions for 131 yards in SWOSU Football's season opener at Arkansas Tech. The senior wide receiver averaged 10.9 yards per catch and helped the Bulldogs rack up 447 yards of total offense in the narrow 26-20 road loss.

Jared Steward

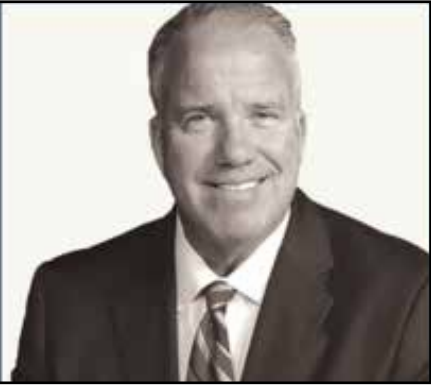

SWOSU Grad Asst.

Malcom Gooden (football) and Reagan McIntyre (Women's Rodeo) have been named the Bulldogs of the Week for September 14 - 20, presented by Wright Media – the official partner for SWOSU athletic livestreams and radio broadcasts. Gooden (Bryan, Texas) helped lead the Bulldog defense against No. 2 Harding on Thursday. He totaled 10 tackles on the day, six of which were solo, while recording 1.5 tackles for loss and recovering both fumbles forced by the Dawgs. Harding, which runs the ball more than nearly any team in Division II football, was held to just 314 rushing yards, its lowest total in GAC play since facing No. 9 Ouachita during the 2024 season. McIntyre (Grand Island, Neb.) finished fourth in the average in Breakaway and third in the average in Goat Tying at the Colby CC Rodeo over the weekend. Her consistent efforts across both events earned her the women's all-around championship for the first time in her collegiate career.

Wildfire Preparedness in Oklahoma: Essential Steps to Protecting Your Property and Policy

MULREADY SAYS

GET READY

Oklahoma’s summer has been back in full force. Much of the state has seen daily temperatures above 100 degrees, with nighttime lows hovering around 80. In addition to the dangerous heat, drought conditions are widespread. Warm, dry weather exposes Oklahomans to one of the state’s biggest hazards: wildfires. Here’s how to help prevent wildfires and protect your home.

First, consider the current conditions. The entirety of Oklahoma is experiencing dry weather, and almost two-thirds of the state faces severe to exceptional drought, with the driest conditions in western Oklahoma. Forecasts show little relief in sight for the next several weeks. These factors create ideal conditions for wildfires, and any fire that starts can intensify quickly. For example, the March 2025 wildfire outbreak alone scorched over 170,000 acres, resulting in over 500 homes and businesses destroyed, over 200 injuries and tragically, four fatalities.

Though the dangers posed by wildfires are quite serious, there are still some actions you can take to prevent them and prepare for them. Stay vigilant. Actively monitor conditions and pay close attention to weather forecasts. On high-risk days, avoid activities that create sparks or open flames. Follow official guidance, especially burn bans and fire-related weather alerts. If you are told to evacuate, do so immediately.

Before wildfires strike, review your homeowners insurance policy. Know what your policy covers and if you have actual cash value or replacement cost coverage. Also, check with your insurer for any discounts related to wildfire mitigation measures. In addition to preparing your property and insurance for fires, prepare your family. Have a plan of action in place in case a wildfire threatens your family.

Inspect and maintain your property to reduce your risk. The Insurance Institute for Business and Home Safety (IBHS) provides an in-depth guide on preparing your home. Quick tips you can implement include:

• Keeping a five-foot noncombustible area around your home clear of vegetation, tree branches, stored vehicles and other flammable items

• Maintaining a 30-ft. defensible zone beyond your noncombustible zone by trimming vegetation and protecting detached structures to control the spread of fires

• Swapping flammable building materials for nonflammable options

• Cleaning out gutters regularly to prevent the buildup of flammable debris

Pack a go-bag, including anything you might need when evacuating, like supplies, medication, insurance documents, your home inventory list, and identification. Ensure everyone in your household knows your emergency plan and the escape routes from your home. Plan for anyone in your family who may have unique needs. Wildfire risk is high during this scorching summer. With smart prevention and strong insurance readiness, Oklahoma families can be prepared for wildfires. If you have insurance questions or issues, the Oklahoma Insurance Department (OID) will show you the way! Contact us at 800-522-0071 or oid.ok.gov.

Miscues Swing Momentum Against #2 Harding

Jon Chidester
SWOSU Media Relations

SWOSU Football kept No. 2-ranked Harding within striking distance deep into the second half Thursday night, but costly miscues swung momentum in key moments of a 37-14 loss in the Bulldogs' home opener at Flex-Chem Field.

The Bulldogs led after the opening quarter and pulled within two points late in the third. The SWOSU defense helped keep the game within reach by forcing two turnovers and holding Harding to 314 rushing yards, its lowest total against a GAC opponent since 2024. Harding, however, capitalized on Bulldog miscues when opportunities arose and eventually created separation late.

After Harding opened the scoring with a field goal, SWOSU answered with a big play through the air. Knox Dyson connected with DeAndre Beasley for a 60-yard touchdown to put the Bulldogs ahead 7-3. The play was the longest reception allowed by Harding since 2023. The Bisons settled for another field goal later in the quarter, leaving SWOSU in front 7-6 after one.

The first costly swing came early in the second quarter. A muffed punt gave Harding possession at the SWOSU 27-yard line, and the Bisons capitalized on the short field with a touchdown to grab their first lead, 13-7.

SWOSU nearly produced an answer of its own on defense later in the half. CJ McKinney forced a Harding fumble that Malcom Gooden scooped up and returned for an apparent touchdown, but a penalty during the return wiped the score off the board. The takeaway still gave the Bulldogs possession in Harding territory, though the ensuing 42-yard field goal attempt was blocked.

Harding added a 49-yard field goal as time expired to take a 16-7 lead into halftime.

The Bulldogs fought back again in the third quarter. Charles Mutter led an eight-play, 80-yard drive and capped it with a 19-yard touchdown strike to Marcus Dockins Jr., trimming the deficit to 16-14 with 3:37 remaining.

But just as SWOSU had pulled back within a field goal, special teams again proved costly. Harding returned the ensuing kickoff 98 yards for a touchdown, immediately answering the Bulldogs' score and pushing the margin back to nine. The Bisons added a 57-yard touchdown run on the first play of the fourth quarter and another score in the closing seconds to produce the final margin.

SWOSU finished with 254 yards of offense compared to Harding's 320, with 198 coming through the air. Dyson completed 4-of-9 passes for 104 yards and a touchdown, while Mutter was 6-of-12 for 94 yards and a score. Beasley caught three passes for 101 yards and a touchdown, giving him his second consecutive 100-yard receiving performance to begin the season, while Dockins added 40 yards and a touchdown. Mutter led SWOSU with 29 rushing yards, while Keith Rockwell paced the Bulldog running backs with 26 yards on four carries.

Defensively, SWOSU held Harding to just 3-of-14 on third down. Keshaun Jackson led the Bulldogs with 15 tackles, followed by Gooden with 10 and Madox Sekyere with eight.

SWOSU remains home next week to host Southeastern Oklahoma State on Saturday, September 19 at 6 p.m. as part of Family Day and the Flex-Chem Classic.
